

We've got *you* covered

To provide Hilton Honors members with the most flexibility, we're extending Points and Status benefits again for 2021.

1

Rest assured your Points aren't going anywhere

We're extending Points expiration so NO Points will expire until **December 31, 2021**.

That means you can keep saving your Points to redeem for free nights in amazing places.

2

Keep your Status & Benefits longer

All Elite members will now keep their current Status through March 31, 2022—even those who were scheduled to downgrade. That means more time to continue enjoying the benefits you love.

Rollover Nights

Room Upgrades

Complimentary Breakfast

Elite Tier Bonus

Contactless Arrival

3

Enjoy a faster path to Elite Status

Starting January 1, you'll be able to earn Elite Status with half the nights, stays or Base Points required. So if you earn Elite Status in the 2021 calendar year, you'll enjoy that Status through March 31, 2023.

TIER	SILVER	GOLD	DIAMOND
2020 Elite Status Qualifications	10 Nights 4 Stays 25K Points	40 Nights 20 Stays 75K Points	60 Nights 30 Stays 120K Points
2021 Elite Status Qualifications <i>Reduced by 50%</i>	5 Nights 2 Stays 12.5K Points	20 Nights 10 Stays 37.5K Points	30 Nights 15 Stays 60K Points

Don't forget—earlier this year we made a change to your **Rollover Nights** so that ALL your 2020 nights would roll over to next year, giving you a head start to upgrade your status.

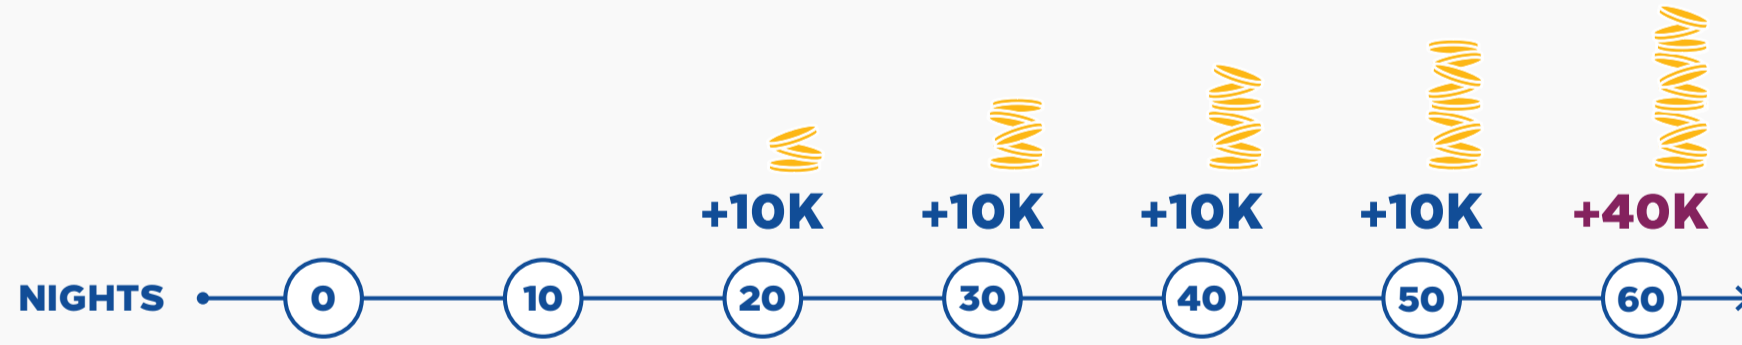

4

Earn more Points faster

MILESTONE BONUSES START AT
~~40~~ **20**
NIGHTS

Next year, you'll also earn Milestone Bonuses in half the nights. So, you can rack up 10,000 Points for every 10 nights you stay, starting at 20 nights (instead of the current 40-night requirement). That means every night counts, rewarding you with more Points towards your future dream trip.

5

Gift Status with fewer nights

Now Diamond members who stay 30 nights (previously 60) will be able to gift Gold Status—or stay 60 nights (previously 100) to upgrade their gift to Diamond Status.

6

We're also extending some perks on your Hilton Honors American Express Card

Turn everyday spending into Elite Status faster

Bonus Points will continue to count as Base Points on eligible purchases through December 31, 2021 on all cards and count toward Elite tier qualification, including Lifetime Diamond Status.

Use Free Night Rewards any night of the week

All 2021-issued Free Weekend Night Reward certificates can be used any night of the week and their expiration will be extended to December 31, 2022. Unexpired Free Weekend Night Rewards as of December 31, 2020 will expire in accordance with their previously communicated terms. All Free Weekend Night Reward certificates can also continue being used any night of the week.
